

## Jewish in St. Louis.org: Everything Jewish in St. Louis

### Website Highlights

Since its inception in 2005, Jewish in St. Louis.org has served as the gateway to everything Jewish in St. Louis, where the community can share events, photos, information, blogs, a directory, and more. As one of the most successful Jewish community websites in the country, Jewish in St. Louis thrives off of a user-driven content model, allowing community members and individuals to submit items to the website for the community to see.

Jewish in St. Louis.org is YOUR website. Create your account, log in, and start sharing today!

## Community Calendar

The JewishinStLouis Community Calendar is your central place to find and post Jewish events in St. Louis. Always free of charge, the newly simplified submission process makes adding and finding events a streamlined process.

## Community Directory

Think of it as St. Louis' Jewish Yellow Pages. Visit the Community Directory to find local Jewish agencies, congregations, schools, kosher restaurants and more. Our updated system even includes maps and directions!

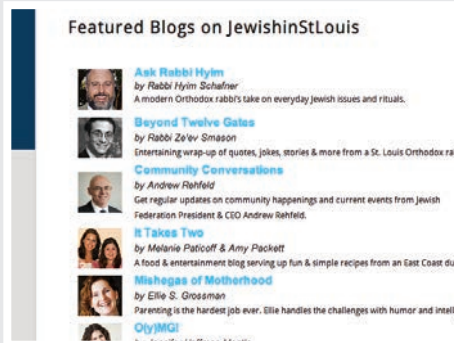

## Jewish Life

Looking for info on Jewish holidays, traditions, and recipes? Visit the Jewish Life section for all that and more!

## Bulletin Board

The brand new JewishinStLouis Bulletin Board section allows users to post relevant information and updates for the community to see. Any individual, congregation or agency can create a free account and post content to the website. Visitors are then able to browse through to see the most recent updates from their friends and neighbors.

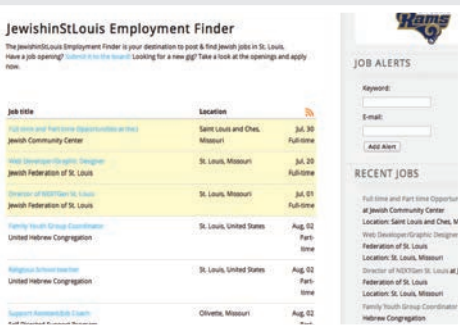

## Blogs

Our assortment of provocative and diverse blogs cover a wide variety of topics – all from a Jewish angle. Our bloggers regularly write about parenting, matchmaking, Jewish traditions, cooking, teen issues, and much more.

## Jewish Light Newsfeed

We're proud to partner with the St. Louis Jewish Light to bring local, national, and international news through a constant news stream on our homepage.

## Job Board

Whether you're looking for a new gig or searching for talent to join your team, this new and simple tool is for you. Users are able to post open positions, search for jobs, and apply directly through the Job Board.
