Jewish Federation of St. Louis identifies and distributes needed funds to more than 90 local, national and international agencies and programs that help feed the hungry, educate students of all ages, care for the young and old, provide social and human services, fight anti-Semitism, promote Jewish culture and support Jews in Israel and around the world. We make connections to the programs and people you care about. Help us continue to build our community by nourishing our roots, strengthening our branches and securing our future.
