THE PLANNING AND ALLOCATION PROCESS

To link allocations directly to the community’s vision and priorities and ensure that your gift is distributed in the most effective way, Jewish Federation Planning and Allocations (P&A) committee, including the outstanding subcommittees, their chairs and the dedicated staff, follows a process that:

- Assesses the most pressing needs;
- Identifies services and programs that will strengthen our community;
- Evaluates the impact of programs; and
- Measures the success and efficiency of funded programs.

STEP 1
Agency develops a proposal for funding a program that meets a community need or P&A identifies a need and requests that an agency submit a proposal.

STEP 2
P&A subcommittees review and make funding recommendations to the Board of Directors, considering budget, proposed measurable outcomes and agency capacity.

STEP 3
The Board of Directors approves or rejects P&A’s recommendations for funding a program.

STEP 4
Allocations are made and each agency and program is overseen to ensure that outcomes are met and operations are efficient.

OUR MISSION
Jewish Federation mobilizes the Jewish community and its human and financial resources to preserve and enhance Jewish life in St. Louis, in Israel and around the world.
