Jewish women are setting the standards for having a philanthropic voice, giving back to their communities and making a commitment to future generations.

Women’s Philanthropy provides an opportunity for women to connect with each other, while learning about and supporting the needs of Jews locally and globally. Together, we make an impact in our diverse community!

“The number of lives that the Jewish Federation of St. Louis touches is so inspiring to me. People may be recipients without even knowing it in their local community or receive emergency help after a natural disaster. We have an amazing network and it is an honor to be a part of it!”

Michelle Rubin
Women’s Philanthropy Chair
